*****Please return this form and \$200 non-refundable registration fee by February 28, 2017.***
This year's school tuition must be current prior to the acceptance of any family registration for the following year.
The non-refundable registration fee increases to \$300 after February 28, 2017.**

Tuition amounts have not been set for 2017-18; however, the total cost of educating students is significantly higher than what is charged each family. The three parishes subsidize the operation of the school with a portion of the Sunday collection, which also must support the other needs of the parishes. The school depends on assistance from the State of Ohio to provide specialized services and mandated services required by the State. The school depends on school fundraising activities to keep increases to a minimum. Please support the school's fundraising activities – Shopping Cent\$, Fashion Show, and Magazine Drive. The more we utilize these programs, the more savings in tuition costs. The full cost to educate a child is much higher than the tuition charged.

Tuition is collected through FACTS. Families new to FACTS will receive an invitation from FACTS to enroll in a payment plan. **Returning FACTS Families will be electronically re-enrolled in FACTS for the coming year by the school** and will NOT set up a new payment plan. Should you wish to make changes to your existing payment plan, please contact the school business manager: Cathy Dreyer at 385-7970. **To apply for Financial Aid**, please sign onto FACTS and complete one financial aid application for both your parish aid and the Catholic Education Foundation (CEF) awarded by the Archdiocese of Cincinnati. Your application will be forwarded to your parish business manager - Terri Reder at St. John the Baptist Parish, Bill Marshall at Corpus Christi Parish, and Pat Palumbo at St. John Neumann Parish. The EdChoice Expansion Scholarship application process opens February 1, 2017. Please refer to EdChoice letter for application process.
