Dear 6th grade parents/guardians,

Ohio law mandates that children have certain immunizations for school attendance. Your current 6th grade student will need to show documentation of having these immunizations by the time he/she returns to school in the fall for the 2017-18 school year. Verification of your child's complete immunization record must be on file with St. John the Baptist School within 14 days of the first day of school. If the record is not on file by that date exclusion from school is mandated by Ohio law.

Supply and demand suggest that the vaccine may be more difficult to obtain over the summer, so please fulfill this requirement as soon as possible.

7th Grade Requirement: One dose of MCV4 (Meningococcal) vaccine as well as the Tdap (Diphtheria, Tetanus, Pertussis) booster are required by Ohio law for seventh graders.

If your child has already received the vaccines please complete the bottom of this letter and return it along with the immunization record to the school. **BOTH FORMS NEED TO BE RETURNED.**

If your child has not already received the vaccines, please contact your child's doctor/clinic to schedule an appointment.

Thank you for your prompt attention to this matter and as always, please feel free to contact me with any questions or concerns.

Sincerely,
Mrs. Elise Hochhausler RN, BSN
Nurse
