Preschool will run on the same calendar as K-8, but will end the week prior to Memorial Day.

Preschool students will participate in K-8 school activities that are appropriate and take place during school time.

St. John's program is NOT a co-op, an aide will be assigned along with the regular classroom teacher.

Parents will be required to provide snacks and drinks on a rotating basis.

Registration Priority Guidelines

- First priority is to be given to registered parishioners of St. John the Baptist, Corpus Christi, or St. John Neumann with children who have graduated from St. John's school or with children presently registered and enrolled, with first priority given to the parish member who has been registered the longest.
- Second priority is given to those families who are registered in St. John the Baptist, Corpus Christi, or St. John Neumann with no other child in attendance at St. John's school.
- Third priority is to be given to any teacher of St. John's school for his/her child. The teacher must be presently employed by St. John's school and in good standing in the year the new registrant starts school.
- Fourth priority is to be given to non-parish members.
- After registration ends, applications will be accepted on a first come-first served basis. If multiple applications are received on the same day and it would cause St. John's school to exceed enrollment size for that particular class, the above criteria would apply for the selection process.

***NO registration will be considered complete until both the deposit and a copy of your child's birth certificate are returned with the completed form.**
