Committee Reports

A. Principal

- a. Enrollment is up to 392 – the families that are not returning are moving away from Cincinnati.
- b. Contracts are being signed. We are losing Alex the music teacher.
- c. Meagan League and Megan Haun, who do box tops contacted Catie about the company coming out to view how we use our money from Box Tops. The people from Box Tops are impressed that we use our money for playground equipment and they want to come out and video tape us to use as a commercial. This is an exciting opportunity for our school and the kids. It will be a local group that will come out and shoot the commercial on May 30th and they will be there the whole day interviewing the kids and some teachers.
- d. Spanish classes will have the ability to go out and order from a Food Truck on May 25th - Two types of empanadas and a dessert.

- d. Kindergarten screening last week.
- e. Still working on the accreditation.
- f. Kindergarten class – is around 46. We are bringing in more than we are graduating. Most move from K to 1st. We only have 5 enrolled in the pre-K next year.
- g. 8th graders took the preschoolers on a nature walk.
- h. 6th grade did an Inquiry project with the Cincinnati Zoo – the zoo brought animals three different times and the kids had to create a project about what they learned by posing a question. The lady from the Zoo would like to share these with other schools to show how well our school did with this project.

E. PTO

- a. Father Daughter Kickball – Great turnout and everyone had a great time.
- b. Walk-a-thon – Goal was \$11,000 we raised... will find out tomorrow at the walk. Kids were bringing in their own money to make the goal. Very proud of the kids and parents. Catie has been super supportive of the Walk-a-thon.
- c. Next week is field day – we have some new events for the kids. Terri and Tim Werling are donating snow cones for the entire school for both the Walk-a-thon and Field Day.

F. Finance

- a. Doing well with finance. We still have some tuition coming in and we will get more from the Autism scholarship.
- b. Doing a good job of controlling expenses.
- c. Forward projections – We should be ahead at the end of the year. Goal is to use this towards the capital expenditures.

G. Marketing/Pub./Fund.

- a. Preschool survey – to communicate with the parents. The teachers do a great job communicating with these parents so we think that we need to focus our efforts outside of our community. What can we do to spread the word to other families?
- b. We started this year at 416 and ended at 412.
- c. Afternoons with alumni – an idea to bring back alumni to talk to the students.
